p53 DNA BINDING SITESAMENDMENT AND RESPONSE

November 13, 2000

Assistant Commissioner for Patents  
Washington, D.C. 20231

Dear Sir:

This is in response to the Office Action issued in the captioned application on October 24, 2000, and the accompanying Notice to Comply with Requirements for Patent Applications Containing Nucleotide Sequence and/or Amino Acid Sequence Disclosures. Please amend the application as follows:

IN THE SPECIFICATION

Please delete the "Sequence Listing", all of pages 28-31 in the Specification, and insert therefore the substitute paper copy of the "Sequence Listing" which is enclosed herewith on a separate page.

REMARKS

Reconsideration of the captioned application in light of this paper is courteously requested.

The Examiner stated that a copy of the "Sequence Listing" in computer readable form has not been submitted as required by 37 C.F.R. 1.821 (e). In order to comply with the
